

Wellthcare

Healthcare that pays you back.

·Patent-pending ·ERISA-compliant ·Works with or without major medical

The first Health-to-Wealth benefit system that turns preventative care into real money - and lowers employer healthcare costs.

www.lhmpco.com

Introducing the Wellthcare Plan and App, our next generation, IRS and ERISA-compliant benefit platform.

The Wellthcare plan is where health meets wealth - a unique, compliance-ready benefit that unites preventative healthcare and retirement savings into one seamless program. Delivered entirely through an easy-to-use app, it helps employers cut costs, meet compliance, and boost retention—all at Zero Net Cost.

- ✓ **Lower Healthcare Spend**
Lower healthcare costs with preventive-first coverage.
- ✓ **Tax-Advantaged Savings**
Reduce workers' comp premiums through better employee health.
- ✓ **Retention + Recruitment**
Improve retention and recruitment with unique, high-value benefits.
- ✓ **Compliance with Ease**
Meet federal and state mandates while saving money.

Wellthcare

Healthcare that pays you back.
